

We are a privately owned and operated independent wholesale brokerage firm specializing in the placement of professional liability risks. Our focus is to serve independent agents with professional liability products where we have demonstrated expertise. We have developed many carrier relationships to provide alternatives to our clients for the products and services that we offer.

Wolf Professional Risk, Inc. was founded by Boyd H. Wolf, Esq., CPCU, RPLU and David E. Gough CIC both of whom previously worked for large publicly held insurance brokerages. Together they have over 40 years of combined experience in the insurance business.

Products and Services

We offer several different products within the professional liability market. For those products that we offer in many cases we have several different markets to work with. Some of the primary products that we offer are:

- Lawyers Professional Liability Insurance
- Medical Facilities Liability Insurance
- Miscellaneous Professional Liability Insurance
- Small Private Company and Non Profit Company Directors and Officers Liability Insurance

Reasons For Choosing Wolf Professional Risk, Inc.

- To gain access to leading insurance companies that have strong financial backing and those that have a dedicated commitment to providing insurance to professionals.
- To work with experienced insurance professionals that have demonstrated product expertise and market knowledge.
- We are always looking for opportunities and the best way to serve our customers.
- To work with professionals that understand the significance of customer service and the value of time.
- To work with professionals that believe in integrity and long term relationships.
- We know that we have to earn our business and that doesn't stop after the initial sale. We are here to serve whenever the need arises.
- We operate on the basis that nothing is more important than our client's business.
